Dear Parents,

During the school year, we may photograph and/or videotape your child in various learning activities. For the most part, these will be used for classroom and in-school purposes; however, there may be instances where they may be used outside of the school. We need your permission to allow this use. Photos will be used to promote the mission of our school which is to strive for Spiritual and Moral Development in our Children. Please call the school office at 808-622-2454 should you have any questions or concerns.

Thank you,
